1 PRESIDENT CARNEY: Good evening. We're

4 The first item of business is approval
5 of the minutes of the Board's public meeting from
6 August 21. Is there a motion to approve the minutes?

7 MR. FOREMAN: So moved.

8 PRESIDENT CARNEY: All in favor?

9 (A chorus of ayes)

10 PRESIDENT CARNEY: Our next regular meeting,
11 which is always on the third Thursday of the month, will
12 be held on October 16 here at 7:30 at the Office of
13 Public Safety.

14 At this time I ask for a motion to close
15 a series of executive sessions for the purposes of
16 considering litigation and personnel matters as
17 authorized by the Open Meetings Act.

18 MR. FOREMAN: So moved.

19 PRESIDENT CARNEY: Second?

21 PRESIDENT CARNEY: All in favor?

22 (A chorus of ayes)

23 PRESIDENT CARNEY: A report of disciplinary
24 action taken by Board during the previous month has been

1 made available at this evening's meeting. The report
2 and written findings and decisions are posted on the
3 Police Board's website.

4 What we have to do now is we have to
5 entertain a motion for the cases that we considered at
6 our meeting last month. And so the first case is going
7 to be George Porter, and there is a motion to find
8 Police Officer George Porter guilty of theft and to
9 discharge him from the Chicago Police Department. We
10 need a motion.

11 MR. FOREMAN: So moved.

12 MR. EADDY: Second.

13 PRESIDENT CARNEY: All in favor?

14 (A chorus of ayes)

15 PRESIDENT CARNEY: Any opposed? Voting in
16 favor are Board members Foreman, Conlon, Eaddy, Fry,
17 Rodriguez, Sweeney and myself. The motion passes.

18 Is there a motion to adopt the written
19 findings and decisions that have been reviewed by all
20 the Board members who participated in the case?

21 MS. FRY: So moved.

22 PRESIDENT CARNEY: All in favor?

23 (A chorus of ayes)

24 PRESIDENT CARNEY: Any opposed? The motion

1 passes by unanimous vote.

2 Regarding Police Board case 14-2847, is
3 a there a motion to find Detective John Killacky guilty
4 of engaging in an unjustified altercation while off
5 duty, including committing an aggravated assault, and to
6 discharge him from the Chicago Police Department?

7 MR. FOREMAN: So moved.

8 MR. EADDY: Second.

9 PRESIDENT CARNEY: All in favor?

10 (A chorus of ayes)

11 PRESIDENT CARNEY: Any opposed? Voting in
12 favor are Board members Foreman, Conlon, Eaddy, Fry,
13 Rodriguez, Sweeney and myself. The motion passes.

15 findings and decisions that have been reviewed by all
16 Board members who participated in the case?

17 MR. FOREMAN: So moved.

18 MR. EADDY: Second.

19 PRESIDENT CARNEY: All in favor?

20 (A chorus of ayes)

21 PRESIDENT CARNEY: Any opposed? The motion
22 passes by unanimous vote.

23 This is now regarding case number --
24 this is suspension review case, 14-2323. Is there a

1 motion to sustain the allegations against Police Officer
2 David Tull that he engaged in an unjustified altercation
3 while off duty and to sustain the seven-day suspension
4 ordered by the Superintendent?

5 MR. EADDY: So moved.

6 PRESIDENT CARNEY: All in favor?

7 (A chorus of ayes)

8 PRESIDENT CARNEY: Any opposed? The motion
9 passes. Voting in favor are Board members Foreman,
10 Conlon, Eaddy, Fry, Rodriguez, Sweeney and myself. The

21 The next case is also a suspension
22 review case, and this is William or Orsa. Is there a
23 motion to sustain the allegations against Police Officer
24 William Orsa that he witnessed misconduct by another

1 officer and failed to report it and sustain the
2 seven-day suspension ordered by the Superintendent?

15 PRESIDENT CARNEY: All in favor?

16 (A chorus of ayes)

17 PRESIDENT CARNEY: Any opposed? The motion
18 passes by unanimous vote.

19 Our next case is Jason Boettcher. This
20 is another suspension review. Is there a motion to
21 sustain the allegations against Police Officer Jason
22 Boettcher -- I hope I'm pronouncing that correctly --
23 that he witnessed misconduct by another officer and
24 failed to report it and sustain the seven-day suspension

1 ordered by the Superintendent?

2 MR. FOREMAN: So moved.

3 MR. EADDY: Second.

14 PRESIDENT CARNEY: All in favor?

15 (A chorus of ayes)

16 PRESIDENT CARNEY: Any opposed? Motion passes.

17 Next is Joseph Keim, and this is a
18 suspension review, 14 SR 2328. Is there a motion to
19 sustain the allegations against Officer Joseph Keim that
20 he searched a vehicle without justification and that he
21 witnessed misconduct by another officer and failed to
22 report to it and to sustain the 15-day suspension
23 ordered by the Superintendent?

24 MR. FOREMAN: So moved.

1 MR. EADDY: Second.

10 MR. FOREMAN: So moved.

11 MR. CONLON: Second.

12 PRESIDENT CARNEY: All in favor?

13 (A chorus of ayes)

14 PRESIDENT CARNEY: The motion passes by
15 unanimous consent.

16 This is regarding the case of Brian
17 Doyle, another suspension review case. Is there a
18 motion to sustain the allegations against Police Officer
19 Brian Doyle pertaining to firing a weapon off the side
20 of a boat on Lake Michigan while off duty and to sustain
21 the 30-day suspension ordered by the Superintendent?

22 MR. FOREMAN: So moved.

9 MR. CONLON: Second.

10 PRESIDENT CARNEY: All in favor?

11 (A chorus of ayes)

12 PRESIDENT CARNEY: Any opposed? The motion
13 passes by unanimous vote.

14 This is now another suspension review
15 case of Thomas Oakes regarding Case No. 14 SR 2327. Is
16 there a motion to sustain the allegations against Police
17 Officer Thomas Oakes that he engaged in verbal abuse and
18 that he witnessed misconduct by another officer and
19 failed to report it and to sustain the 15-day suspension
20 ordered by the Superintendent?

21 MR. FOREMAN: So moved.

22 MR. EADDY: Second.

23 PRESIDENT CARNEY: All in favor?

24 (A chorus of ayes)

1 PRESIDENT CARNEY: Any opposed? Voting in
2 favor are Board members Foreman, Conlon, Eaddy, Fry,
3 Sweeney and myself. The motion passes.

4 Is there a motion to adopt the written
5 findings and decisions that have been reviewed by all
6 Board members who participated in the case?

7 MR. FOREMAN: So moved.

8 MR. CONLON: Second.

9 PRESIDENT CARNEY: All in favor?

10 (A chorus of ayes)

11 PRESIDENT CARNEY: Any opposed? The motion
12 passes by unanimous consent.

13 This is a separation case. The
14 Superintendent has filed charges to discharge Detective
15 Richard Milz from the Chicago Police Department for
16 misconduct becoming an officer while off duty. The
17 Superintendent subsequently moved to withdraw the
18 charges without prejudice because the respondent
19 resigned from the Chicago Police Department. Is there a
20 motion to grant the Superintendent's motion to withdraw
21 the charges?

22 MS. BALLATE: So moved.

23 MR. CONLON: Second.

24 PRESIDENT CARNEY: All in favor.

1 (A chorus of ayes)

2 PRESIDENT CARNEY: Any opposed? Voting in
3 favor are Board members Foreman, Ballate, Conlon, Eaddy,
4 Fry, McKeever, Rodriguez, Sweeney and myself. The
5 motion passes.

6 The next case is Prieto. On February 21
7 the Board found the respondent guilty of violating Rules
8 1, 2, 6, 8, 9 and 14 and ordered that the respondent be
9 discharged from his position as a police officer. The
10 respondent appealed this decision, and on July 24, 2014,
11 Judge Thomas Allen entered an order remanding the case
12 to the Board for it to impose a lesser penalty than
13 discharge. Remanding essentially means if the case is
14 appealed, it goes up to the Circuit Court, and the
15 Circuit Court did not agree with our decision. They
16 thought our decision was too harsh, so they sent the
17 case back down to us. So we now have to reconsider the
18 penalty, and we have to do this by law.

19 Is there a motion to suspend the
20 respondent for a period of two years in order to comply
21 with the Court order?

22 MR. FOREMAN: So moved.

23 PRESIDENT CARNEY: Is there a second?

24 MS. BALLATE: Second.

1 PRESIDENT CARNEY: All in favor?

2 (A chorus of ayes)

3 PRESIDENT CARNEY: Any opposed?

4 MS. FRY: Fry.

5 MR. CONLON: Conlon.

6 PRESIDENT CARNEY: Voting in favor are Board
7 members Foreman, Ballate, McKeever, Rodriguez and
8 myself. The motion passes. Dissenting are Board
9 members Conlon and Fry.

10 Is there a motion to adopt the written
11 memorandum and order and dissent that has been reviewed
12 by all Board members who participated in the case?

13 MS. BALLATE: So moved.

14 PRESIDENT CARNEY: All in favor?

15 (A chorus of ayes)

16 PRESIDENT CARNEY: Any opposed? The motion
17 passes by unanimous consent.

18 The Board's decisions in all cases on
19 which the Board took final action this evening will be
20 entered as of today's date and will be issued to the
21 parties. A copy of the written decisions will be posted
22 on the Board's website within ten days pursuant to the
23 Chicago Municipal Code.

24 The Board, as required by the Open

1 Meetings Act, met and considered minutes and recordings
2 from all past closed meetings to determine whether the
3 need for confidentiality exists. The Board members
4 unanimously agreed to keep private its executive
5 session. What we do is we before we come down here, we
6 meet upstairs in executive session, and that's where we
7 decide the cases that have come before us -- before the
8 Superintendent. We all an agenda, so we vote on those
9 cases. Our hearing officers are there, and so we
10 reviewed the cases. So what we do now -- and those
11 sessions are closed to the public, but as required by
12 the Open Meetings Act, when we vote, we then come to --
13 at the following meeting, we render our decision so that
14 the Board is open and transparent.

15 Did I take a vote? So we agreed.

16 Copies of orders issued by the
17 Superintendent of Police during the previous month are
18 listed in the blue books and are available on the
19 Department's website. They're right here, but you can
20 also check out the website.

21 The next item is the Superintendent's
22 report to the Board. Now I will turn it over to
23 Mr. Superintendent. Welcome.

24 SUPERINTENDENT McCARTHY: Good evening. Just

1 a couple of quick updates. I think things are pretty
2 relevant what's happening today in Chicago. As you all
3 know, last year there was much consternation about our
4 children's safety regarding safe passage routes to and
5 from school. Last year we widened that program. We
6 increased it based upon the school closings. We did --
7 the usual way that we do our strategies, which was first
8 we did analysis to figure out the places that needed the
9 most help. We looked at the routes that the kids would
10 be taking based on school closures, and we end up
11 applying our officers based upon that intelligence.

12 Last year I'm happy to say that during
13 the school year there were no significant incidents
14 during safe passage deployment. There were some issues
15 on safe passage routes. However, safe passage is a
16 deployment strategy in that it operates during the hours
17 that the kids are going back and forth to school, not at
18 2:00 in the morning. And when those issues happened,
19 they were being reported as being on safe passage
20 routes. Yes, they were. They were not during
21 deployment times. There were no issues last year.

22 This year kicking off the school year,
23 we used the same strategy and program that we used last
24 year. We're about three and a half weeks into it, and

1 is what a lot of people don't realize is that just about
2 two years ago in the fourth quarter of 2012 the city
3 started becoming a beneficiary of a murder decline, and
4 at the end of September we will have completed eight
5 consecutive quarters with significant reductions in the
6 murder rate in this city, which means two consecutive
7 years, eight consecutive quarters, quarter after quarter.

8 Now, we have lots and lots of work to
9 do. We certainly do. But right now we're reaching a
10 level that the city hasn't seen in more than 50 years as
11 far as violent crime is concerned. And that's not
12 something that's resonating, but it is factual. At the
13 end of the day, we consider this progress, not success.
14 We certainly have lots and lots of work to do. You hear
15 me talk about things we need to do to make it work
16 better. It's a work in progress, but at some point
17 we're going to have to come to terms with the fact that
18 we are in fact moving forward, and we're going to
19 continue to so. And we're doing that not just by
20 ourselves in the Chicago Police Department. We're doing
21 it in a different fashion in cooperation with our
22 communities. I'm really proud of the way this is going.

23 With that I'm good. Thank you.

24 PRESIDENT CARNEY: Mr. Superintendent, thank you.

1 I would now call upon those members of
2 the public who signed up to speak in advance. When your
3 name is called, please step up to the microphone. We
4 have a number of speakers who have signed up to speak.
5 So because of the numbers of speakers, we're going to
6 limit your time to two minutes.

7 So let's start off with Marlin Powell.
8 Marlin Powell? Sheryll Bray? Darva Watkins?

9 Darlene Tribue? There are a number of
10 speakers that are lined up to speak in reference to
11 Commander Glenn Evans. Would you all like to come up
12 now, and then -- and that would, with Ms. Tribue, Myrten
13 Byrd. We also have Keith Tate, Corey Howard, and we
14 also have Brian Garner. Is there a Brian Garner here?
15 Please come up, sir. I know that speaking before the
16 Board can be a little intimidating. We're very
17 harmless. So I thought -- you have strength by the
18 other people from your community. We welcome you.

19 MS. TRIBUE: It is our pleasure to be here
20 tonight, and thank you for allowing me to speak. My
21 name is Darlene Tribue, T-R-I-B-U-E. I'm the president
22 of Park Manor Neighbors Community Council for the past
23 26 years.

24 PRESIDENT CARNEY: Congratulations.

1 MS. TRIBUE: I don't know. I'm getting grayer
2 by the day. I'm going to read my statement. I don't
3 think it will take two minutes.

4 Park Manor Neighbors Community Council
5 is one of the oldest African American community
6 organizations in the history of the City of Chicago. We
7 encompass both the 20th and the 6th ward. Our
8 boundaries go from 66th Street on the north to 79th
9 Street, State Street to Cottage Grove Avenue. We have
10 two fire districts, two police districts, two aldermen,
11 multiple state representatives, senators and city
12 service areas. Our voice matters, and in this instance
13 we can provide petitions with signatures of support of
14 at least 144 block clubs and multiple busloads of our
15 neighbors and residents for what and who we believe in.

16 At this time I would like our audience
17 to stand -- I would like for them that are supporting us
18 to be standing. Residents, businesses and churches from
19 south side communities have come together in support of
20 Commander Glenn Evans and the Chicago Police Department.
21 Those include Park Manor Neighbors, Chatham/Avalon Park
22 Community Council, Chesterfield Community Council, Grand
23 Crossing Park Network, the Jackson Park Highlands,
24 Woodlawn, West Chesterfield Community Council and West

1 Chatham Community Council.

2 We are not reflecting on the alleged
3 negative elements that have been charged, but the
4 exceptional actions and services in a variety of
5 circumstances demonstrated to the public which the
6 commander served. Commander Evans provided excellent
7 service in protecting and addressing community needs in
8 regard to both violent and non violent criminal behavior.

9 We have no knowledge of what it takes to
10 perform the duties of a Chicago Police Department
11 representative. We can only address the public safety
12 the neighborhoods felt under his command. There's no
13 question that crime had escalated in 2012 and 2013 in
14 our areas and we needed help. The complaints regarding
15 our out-of-control crime from taxpaying property owners
16 and voters who reside in our communities were numerous
17 to say the least. It is our intent to appear before the
18 Police Review Board and also to the court hearings that
19 were held this morning.

20 Commander Glenn Evans attended every
21 community meeting. He faced the public on behalf of the
22 3rd district since his appointment in 2012 until his
23 departure. He has taken the heat for the numerous
24 crimes that occurred prior to and after his departure.

1 He has shown sincere concern, action for our challenging
2 problems and have successfully won over a disgusted Park
3 Manor community. He has done physical battle with
4 unruly and distressed locations of unpopular liquor
5 businesses both on 71st and 75th Street and in other
6 communities.

7 He would be on the street at various
8 times of the early morning, midnight to dawn, seeking to
9 problem-solve in these targeted crisis ridden areas.
10 Still he was working the next day providing reports to
11 the community. He facilitated the first state of the
12 3rd district union meeting between the community, the
13 police, aldermen, landlords, business owners, including
14 those that overlap into the 6th police district, calling
15 in proper resources to enforce the municipal code for
16 business patrons in order to solve the violence and to
17 serve as crowd control within our community. He has
18 been more than cooperative and receptive with the
19 immediate actions and roll calls peace marches in
20 response to the needs of our community in both 3 and 6.

21 Now, to lose the commander was an
22 injustice to our community. However, we understood
23 other districts' need of his talents. In reflection,
24 Commander Evans is a Chicago police officer for 28

1 years. The department has been his life. The
2 department trained this man to be who he has become. We
3 watched his passion for the City of Chicago and the
4 Chicago Police Department and his mayor. He's reflected
5 law and order and he is robotic and follows orders
6 explicitly. We stand behind him and we hope you will,
7 too. Darlene Tribue.

8 PRESIDENT CARNEY: Thank you. Well written.

9 Mr. Byrd. Welcome, sir.

10 MR. BYRD: Good evening, Board members and
11 Superintendent McCarthy. My name is Myrten Byrd. I'm a
12 retired Chicago supervisor, approaching 27 years of
13 retirement. I've lived in the Park Manor neighborhood
14 for 62 years.

15 When Commander Evans came to the 3rd
16 district, he came at a time that our members were -- had
17 high expectations and he realized this and he
18 immediately made every effort to address our concerns.
19 We found that he was out there day and night, was
20 instrumental in removing a drug house from my block. He
21 was instrumental also in getting the thugs off in front
22 of the businesses along 75th Street, 71st Street, and I
23 would like to say Commander Evans did address our needs,
24 shutting down the drug houses and what have you, even

1 shutting down a strip club that came by on their own.

2 Commander Evans, when conditions would
3 permit, would appear at our monthly Park Manor Neighbor
4 meeting mainly to address our concerns, giving us an
5 update on crime stats and what have you. And prior to
6 Commander Evans' transfer, our president, Mrs. Tribue,
7 presented him with a plaque commemorating his exemplary
8 service to the community.

9 For all the aforementioned, that is why
10 I took this opportunity to speak on his behalf.

11 PRESIDENT CARNEY: Thank you, sir.

12 Mr. Tate.

13 MR. TATE: Good evening. I just want to say
14 that Chatham/Avalon Park Community Council is a
15 59-year-old community organization, and we work
16 diligently with Park Manor Neighbors, Chesterfield and
17 all the other community organizations. I have a letter
18 that was submitted to Superintendent McCarthy. I just
19 wanted to read it.

20 It says, we write this letter to lend
21 our support for Commander Glenn Evans, and I know you
22 are well aware the African American community has a
23 significant uptick in crime within our community.
24 Commander Eddie Johnson was assigned to the 6th district

1 and brought with him Lieutenant Glenn Evans as his tac
2 lieutenant. Crime ceased to rise and started to
3 decline. Our community was elated at the effectiveness
4 of both Commander Johnson and Lieutenant Evans.

5 Subsequently both Commander Johnson and
6 Lieutenant Evans were promoted, Johnson to deputy and
7 Evans to commander of the 3rd district and Commander
8 Waller in the 6th district. Was it a mistake? I think
9 not. Again, the numbers came down. Because of the
10 relentless efforts of Commander Glenn Evans, crime
11 diminished in the 3rd district as it had done in all the
12 districts that he worked.

13 Now we have allegations flying. I thought
14 that in this country one was innocent until proven
15 guilty, or is it guilty until proven innocent? Douglas
16 McArthur said, "I am concerned for the security of our
17 great nation, not so much because of threat from without
18 but because of the insidious forces working from within."

19 As we move forward, we ask that we step
20 back, wait for all the facts and conclusions to be
21 presented before we judge, or should we judge? Within
22 the last two weeks there have been tremendous amounts of
23 judging on numerous topics. Whatever happened to never
24 judge a person until you've walked a mile in their shoes?

1 Commander Evans has been the go-to person for the
2 Chicago Police Department because he is results
3 oriented, not because he is a pal, not because he knows
4 someone. When we call the police, we would like the
5 police to respond. Commander Evans did, with results.

6 Martin Luther King said, "The ultimate
7 measure of a man is not where he stands in moments of
8 comfort and convenience, but where he stands at the
9 times of challenge and controversy." We stand with
10 Commander Evans.

11 PRESIDENT CARNEY: Mr. Garner.

12 MR. GARNER: Brian Garner, Chatham/Avalon
13 Community Council member. Good evening, Board and
14 Superintendent McCarthy.

15 Police work is hard. No one denies
16 that. The work performed by our police is some of the
17 toughest in the country. While we detest some of the
18 actions of the police, some of people that the police
19 officers are called upon to deal with to make our
20 community safe often requires a selfless individual.
21 Commander Evans brought a lot of that nonsense taking
22 place in our community to a halt.

23 Under Commander Evans' leadership we saw
24 our first community foot patrols in years, and under his

1 leadership we saw a breakup of drug dealing on the
2 corners. We all saw it. You all know what I'm talking
3 about. Let's not go overboard. We continue to depend
4 on the courage and strength of those who work in our
5 community and labor hard to maintain peace and justice.

6 Police work ain't easy. It ain't what
7 we see on TV. We all know what's happening in our
8 streets every day, and to be honest, we're not talking
9 about breaking up Boy Scout meetings. We're talking
10 about individuals that are out of control and are
11 wreaking havoc on our neighborhoods.

12 Commander Evans had the courage to go
13 hard against these individuals who require extreme
14 measures to be dealt with. He's a silent, courageous,
15 no-nonsense kind of guy that was working in our
16 community. Commander Evans has a unique understanding
17 of what ails our community and had the courage to deal
18 with it head on and not run back to the bureaucratic red
19 tape as an excuse for why the job cannot be done.

20 He did so many things that others would
21 not do. He stood with us, and that's why we're standing
22 with him. Thank you.

23 PRESIDENT CARNEY: Robert More? Before
24 Mr. More, Superintendent McCarthy?

1 SUPERINTENDENT McCARTHY: I just feel
2 compelled to say I can't comment on the case. If true,
3 obviously the allegations were reprehensible, but I just
4 want to compliment you all on being here because when I
5 moved Commander Evans, you were upset and you came and
6 you expressed that and you listened to me when I
7 explained to you what my reasons were, maybe not
8 satisfied, but you were certainly listening and we had a
9 great conversation.

10 I just am very impressed that you're
11 here tonight in support of Commander Evans. So I have
12 to acknowledge that because it's something that we
13 rarely see. People come to complain and tell us about
14 problems that they're having and look for solutions. I
15 have never seen this, and I just need to acknowledge
16 that it's significant that you're here. Thank you.

17 PRESIDENT CARNEY: Thank you, Mr. Superintendent.

18 We just have one more speaker. Then we
19 will adjourn the meeting. Mr. Robert More.

20 MR. MORE: Robert J. More representing the
21 Institute of St. Michael, the Archangel. It is
22 September 18 of 2014, the Chicago Police Board meeting.
23 Lamentably there is a technical problem here, so this
24 isn't going to be posted on You Tube.

1 Superintendent McCarthy, I have a whole
2 long laundry list. The first question I have to ask
3 what can I contribute to prevent a replication of what
4 happened in Boston in Chicago? I first invite you to go
5 to Christopher Bollyn's website, B-O-L-L-Y-N. There's a
6 post it's either April 4 or 14, whereabouts, of 2014 on
7 the Boston Marathon bombing, and it's obvious that one
8 of those bombs (unintelligible) was definitely in the
9 backpack of a Kraft International mercenary. And that
10 individual -- you can see whatever that kid's name. I
11 can't pronounce it. But there no way that there was a
12 bomb in that kid's bag. There is just no way. That bag
13 could hang like it hung on his shoulder with a 20-pound
14 explosive. One of those bombs was in a Kraft
15 International bag.

16 Now, here is my invitation to you. It's
17 being ongoing with Commissioner Weis -- or
18 Superintendent Weis, and when I made this proposal
19 before, we have video of Paul McKinley of him at the
20 meeting running across the back wall. I invite him to
21 wear a wire so that you can be clear and transparent
22 above all of the world's children where your priorities
23 lie. Wear a wire, according to (unintelligible), so all
24 legitimate security interests can be adequately

1 accommodated so no one can claim that you're involved in
2 a falsified terror act, okay?

3 What happened in Boston there is just no
4 way -- unless those pictures have been fabricated and I
5 haven't been able to impeach that, that that was -- that
6 Tsarnaev or whatever -- the two brothers that did that,
7 okay? One of those guys was a mercenary planted by the
8 Department of Homeland Security. And understand what
9 their -- you can read to understand what the motivation
10 would have been, but there is just -- please show me
11 where I'm wrong. If we're really concerned about --

12 PRESIDENT CARNEY: Mr. More, I gave everyone
13 two minutes. Your time is up.

14 MR. MORE: Over my objection.

15 PRESIDENT CARNEY: At this time all that have
16 signed up to speak in advance have been recognized. At
17 this time we will entertain a motion to adjourn.

18 MS. BALLATE: So moved.

19 PRESIDENT CARNEY: All in favor?

20 (A chorus of ayes)

21 PRESIDENT CARNEY: The motion passes. The
22 meeting is adjourned. Thank you very much.

23 (Meeting adjourned)
